HR Tools & Job Portals: LinkedIn | Naukri | Monster | Indeed | Apollo | Recruit'em

Technical Skills: Advanced Excel | Data Analytics | Power BI | MS Office

Compliance & Policy: Labor Law Awareness | HR Policy Implementation | Diversity & Inclusion

### PROFESSIONAL EXPERIENCE

#### HR Manager - Innovest Technology

Jun 2025 - Present

Full Cycle Recruitment | HR Policy Implementation | Payroll | Issues Mitigation | Excel | SpineHR | HRMS

- Managed recruitment across technical and non-technical disciplines including drilling, operations, HSE, supply chain, and engineering functions.
- Organized large-scale hiring campaigns and campus events attracting 800+ candidates across multiple regions.
- Proficient in ATS systems and Excel-based manpower tracking, ensuring timely and compliant hiring.
- Executed targeted headhunting strategies for critical upstream and downstream roles.
- Handled employee relations investigations (harassment, safety misconduct, policy breaches) ensuring adherence to company standards.
- Supported HR governance, compliance audits, and workforce policy initiatives to align with industry regulations.

#### HR Manager - BOP Realty

Oct 2024 - May 2025

Full Recruitment Lifecycle | Talent Sourcing | Onboarding | HR Policy Implementation | Excel | Naukri | LinkedIn

- Managed end-to-end recruitment across diverse functions including sales, project management, construction, legal, and facility operations.
- Led large-scale hiring drives and walk-in events engaging 800+ participants across multiple locations.
- Skilled in using ATS platforms and Excel-based dashboards for candidate tracking, workforce analytics, and reporting.
- Conducted proactive talent sourcing and headhunting for leadership and niche real estate roles.
- Investigated employee relations (ER) issues such as workplace misconduct and grievance cases with confidentiality and compliance focus.
- Supported HR governance, policy implementation, and audit readiness for people operations.
- Partnered with business leaders to align workforce planning with project timelines, ensuring optimal staffing for ongoing and upcoming developments.
